ORDER OF SERVICE

Copies Mailed/Faxed
Chambers of Vincent L. Briccetti

By Order dated March 25, 2022, in response to a letter from plaintiff, proceeding pro se, seeking a “stay and extension” of this action, the Court extended plaintiff’s time to serve defendants to April 29, 2022. (Doc. #12). This was the second extension granted to plaintiff. (See Doc. #9). The Court’s March 25 Order warned plaintiff that no further extensions of plaintiff’s time to serve defendants would be granted.

However, by a letter dated April 27, 2022, plaintiff requests a thirty-day extension of his time to serve defendants because of recent health issues. (Doc. #13). The Court is satisfied that plaintiff has shown good cause for a thirty-day extension.

Accordingly, plaintiff’s application is GRANTED. Plaintiff’s deadline to serve the summons and amended complaint on all defendants is extended to May 31, 2022. **If he fails to do so, the Court may dismiss the claims against all defendants under Rules 4 and 41 of the Federal Rules of Civil Procedure for failure to prosecute. Absent compelling circumstances, the Court will grant no further extensions.**
